# TAPASH STAKEHOLDERS MEETING NOTES

FRIDAY APRIL 21, 2017

10:30 am -4:00 pm

Location: Armory Hall, 901 E. 7<sup>th</sup> Ave. Ellensburg, WA

*Tapash stakeholders include anyone with an interest in restoration within the Tapash landscape, covering 2.3 million acres in the central Cascades of Washington State.*

## Meeting Purpose

- Engagement of stakeholders within the Tapash landscape to better understand the Tapash organizational structure, projects, and priorities.
- Opportunities for stakeholders to share their ideas, thoughts, concerns with their collaborative peers and Tapash leadership
- Time to connect, reconnect, and strengthen relationships.

## Welcome, History and Overview of Tapash

(Laura Potash, Tapash Coordinator)

### **Tapash Land Consolidation Update**

(James Schroeder, TNC Conservation and Partnerships)

One page fact sheet Land Consolidation: <https://tnc.box.com/s/h33myvymxoul675ttof49ss6pozxr8og>

PowerPoint Land Consolidation: <https://tnc.box.com/s/9fw13xb32mn41t0f1f95aose4ddnpl0x>

### **Recreation Issues within Tapash Landscape**

(Larry Leach, DNR Assistant Regional Mgr for Timber, Recreation, and Natural Areas)

PowerPoint: Recreation: <https://tnc.box.com/s/ko8jpxf69qmjd432ne9lpqbdx823w1od>

### **Break Out Groups – Feedback and Dialogue with Tapash Stakeholders**

(Five groups facilitated by the Tapash Executive Team members)

- Is Tapash on the right track?
- What or where do you think we should focus on in upcoming 10 years?
- Would you like to be more involved, and if so how?

Consolidated summary of ideas, requests, and suggestions from the 5 discussion groups:
